

Health and safety

3.1 Risk assessment

Policy statement

This setting believes that the health and safety of children is of paramount importance. We make our setting a safe and healthy place for children, parents, staff and volunteers by assessing and minimising the hazards and risks to enable the children to thrive in a healthy and safe environment.

Procedures

- Our risk assessment process covers adults and children and includes:
 - checking for and noting hazards and risks indoors and outside, and in our premises and for activities;
 - assessing the level of risk and who might be affected;
 - deciding which areas need attention; and
 - developing an action plan that specifies the action required, the time-scales for action, the person responsible for the action and any funding required.
- Where more than five staff and volunteers are employed the risk assessment is written and is reviewed regularly.
- We maintain lists of health and safety issues, which are checked daily before the session begins as well as those that are checked on a weekly and termly basis when a full risk assessment is carried out, in conjunction with Great Tew Primary School .
